

The Life of Christ Living In Me!

Practical Studies in The Gospel According to Luke

May 21, 2014

Jesus' public ministry has started with calling disciples, working of miracles, and teaching in parables. He has attracted much attention. Some are followers and are curious. There are already some who criticize and try to trap Him. More of this to come.

In this lesson Jesus challenges the thinking of the religious leaders of the day. The way in which he teaches continues to reveal who He is.
